

DUMP THE PUMP!™

Complete jobs faster with a battery-powered sprayer.

INCREASE YOUR PROFIT

Work faster, precisely control liquid output, and reduce repetitive motion injuries.

TAKE ON MORE JOBS

Save up to 33% of your operators' time by removing their need to stop and pump.

ELIMINATE MANUAL PUMPING

Dump the Pump™ with a quick-charge battery and up to 2 hours of continuous spraying.

SPRAY FROM A DISTANCE

Spray up to 30 feet with a dual-speed switch to toggle PSI output.

CONTINUOUS PRESSURE

Maintain constant tank pressure and spray pesticide with consistency.

PRECISION APPLICATION

Constant pressure throughout a job means even application of materials.
